OUR FOUNDER

*This college has been established
in memory of Late Ramachandar Jha.*

Late Ram Chandar Jha

"A good soil some are born, never to die."

*Our motto is to produce quality teacher who will brighter
the society by candling moral values and character
building in the students.*

FROM THE PRESIDENT'S DESK

It is a matter of great pride for me to address the students Education is an endless journey

Through the ocean of knowledge and enlightenment, this journey, when effective, should take on to the new vistas of humanism where hatred, jealousy, violence, discrimination, animosity and selfishness are treated as dreadful vices. This college tries to transform the students into noble souls and wholesome being. They have to be asset to society.

In the world of complexities, setting direction for one's own self is extremely difficult. We need to prepare ourselves to face challenges and learn to adjust with the situation. The nature of learning itself is changing. We want to see the students engaged whole heartedly in pursuit of knowledge. It is natural and healthy for all of us to learn. We learn throughout our life. Learning can take place through multiplicity of experiences and exposures. We need to participate in a learning community and need to find favourable atmosphere for it.

Again, I am extremely thankful to the efficient and dedicated faculty members whose share our burden.

President
Dr. Shrikant Kumar

From the Secretary's Desk

It always looks forward to develop the infrastructure of the building to enrich the library with numerous books, to make the laboratories healthy with new equipments, to facilitate sports times for healthy playground etc.

It's my prime motto to produce quality teachers through my college. Teachers are the pillars of Society. I always try to convince the faculty members to interact the students to reap the best qualities of teachers like-moral values and character building. I try to produce the teachers who must cite-examples of best human beings and nation builders.

With good wished, I welcome the students in new session and hope these.

Students would perform better to keep the reputation of the college as usual.

Secretary
Dr. Madhuri Kumari

FROM THE PRINCIPAL'S DESK

Dear Parents, Publication and all the well-wishers.

It is the matter of great pride for me to address my co-relatives of my college. I feel proud to say that our college has been imparting Teacher-Education embedded with moral values and modern Teaching-Learning System for last ten years.

In the present hub-bub environment of Education, I try my best to produce teachers of characters and moral valued. My faculty-members, non-teaching staff and I mutually work for moulding praiseworthy shape to our pupil-teachers.

I am proud to say that I have been trying to keep students in this college. We provide special classes to the students through TET/STET/CTET which help the students in getting these competitive examinations. Our students are encouraged to be physically fit, our students are encouraged to be mentally fit. We have been encouraging moral and spiritual development. We have been encouraging our students in a way that after completing their education they may well be able to know how to shoulder the responsibilities and to be a perfect human being of the society.

Kind co-operation will continue to be a welcome suggestion for the development of the college.
